

LINHA DESSO® LINHA SQUARE®

Carpete e LVT

Misturar diversos tipos de revestimentos

Misturar diversos tipos de revestimentos proporciona um visual moderno em qualquer ambiente. Use a criatividade e crie efeitos diferenciados com a mescla entre o vinílico e o carpete para deixar o seu projeto ainda mais sofisticado.

TRANSIÇÃO DE CARPETE PARA LVT

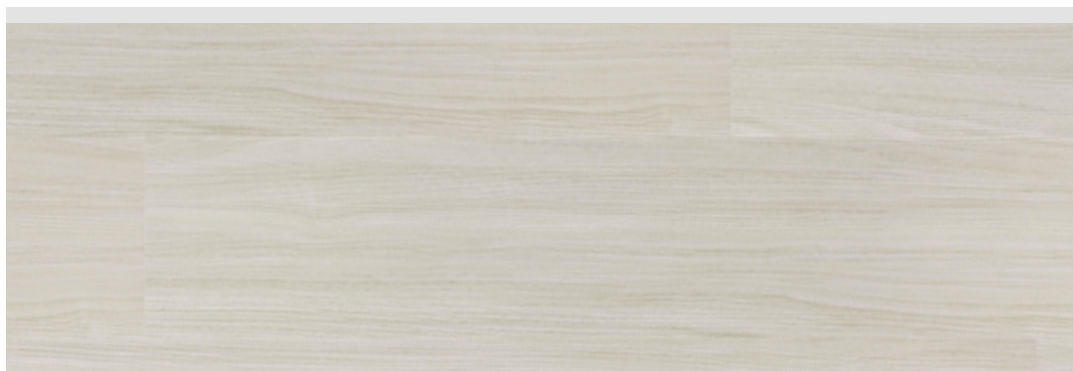

711464008

Desso® Essence Structure - 9505

O perfil de transição proporciona um acabamento discreto e perfeito no encontro dos dois produtos. Além de proteger os pisos na sua junção, o perfil eleva a base do LVT para que os dois materiais fiquem no mesmo nível.

Verifique todos os acabamentos de metal da Tarkett e suas funcionalidades.
