TRANSICIÓN DE ALFOMBRA PARA LVT

 711464008

Desso® Essence Structure - 9505

El perfil de transición proporciona un acabado discreto y perfecto en la unión de ambos productos. Además de proteger los pisos en su junta, el perfil eleva la base del LVT para que los dos materiales queden al mismo nivel.

Verifique todas las terminaciones de metal de Tarkett y sus funcionalidades en la revista anexa.
