6.1 Responsible Sourcing	Ingredients verified by a third party or- Product composed of recycled content and ISO 14001 certified		33% RECYCLED CONTENT
10.4 Site Waste Management	Avoid sending waste to landfill No specific requirement at product level		RECYCLABLE

The Green Building Card is used as a reference only for projects at design stage. This document by itself is not enough to validate the Green Building Certification requirements and manufacturer's documentation must be provided. In order to access the product certificates, please contact your TARKETT's sales representative.
